Dear Roselyn,

Thank you for resubmitting the Domestic Homicide Review (Debbie) for Salford Community Safety Partnership to the Home Office Quality Assurance (QA) Panel. The report was reassessed in September 2025. I apologise for the delay in responding to you.

The QA Panel felt that the report is well written and displays a good level of understanding of domestic abuse and its impacts. Although the DHR review panel membership is small and made up of mainly statutory agencies, there was public health suicide prevention representation on panel, which was positive. There was good use of research, and the action plan is detailed and SMART.

The QA Panel acknowledged that most of the issues raised in the previous feedback letter have now been addressed the Home Office is content that on completion of the changes below, the DHR may be published.

Before publication, please review and implement the following feedback:

- 4.24 states that diary entries have not been included in the report. It would be more accurate to explain here, as you have in 3.10, that the entries have been reviewed and key themes relevant to domestic abuse have been noted to better understand Debbie's experience.
- To follow the template in the DHR statutory guidance the section at 4.1 should be called 'Analysis' and the section from 4.47 should be called 'Lessons to be Learnt.'

Once completed the Home Office would be grateful if you could provide us with a digital copy of the revised final version of the report with all finalised attachments and appendices and the weblink to the site where the report will be published. Please ensure this letter is published alongside the report.

Please send the digital copy and weblink to [DHREnquiries@homeoffice.gov.uk](mailto:DHREnquiries@homeoffice.gov.uk). This is for our own records for future analysis to go towards highlighting best practice and to inform public policy.

The DHR report including the executive summary and action plan should be converted to a PDF document and be smaller than 20 MB in size; this final Home Office QA Panel feedback letter should be attached to the end of the report as an annex; and the DHR Action Plan should be added to the report as an annex. This should include all implementation updates and note that the action plan is a live document and subject to change as outcomes are delivered.

Please also send a digital copy to the Domestic Abuse Commissioner at [DHR@domesticabusecommissioner.independent.gov.uk](mailto:DHR@domesticabusecommissioner.independent.gov.uk)

On behalf of the QA Panel, I would like to thank you, the report chair and author, and other colleagues for the considerable work that you have put into this review.

Yours sincerely,

Home Office DHR Quality Assurance Panel
