

Salford Complex Safeguarding Hub

A coordinated approach

Salford City Council

Changing Face of Salford

- Changing population over the last 10 years
- Excellent work being undertaken in the joint team but there is a need for us to have a profile within the City
- Ever changing challenges that we are facing create the need for a team of specialists from agencies to support the whole workforce in working with vulnerable and abused people
- Traditional Child protection is not able to respond to the intricacies of complex safeguarding.

Salford Complex Safeguarding

- Child Sexual Exploitation
- County Lines
- MFH
- Organised Crime and Gangs/ Threats to Life
- Modern slavery / Human Trafficking
- Radicalisation
- Female Genital Mutilation

Aims of the team

- To prevent and respond to complex safeguarding as a partnership issue;
- To work in partnership, with the Salford Safeguarding Children Board (SSCB), Salford Safeguarding Adult Board (SSAB) and the Community Safety Partnership (CSP) ensuring Children and Young People are protected and supported

Salford Complex Safeguarding Hub

- Multi- agency
- Co – located
- Share intelligence
- Deal with exceptional demand and complexity
- Committed to improving outcomes for children, young people and adults.

Criminology

Safeguarding

**Complex
Multiple
Vulnerabilities**

Next Steps

- Work with partners to establish the structure of the team
- Advertise the new posts identified
- Create a clear pathway for referral and consultation
- Create a clear governance structure and Terms of reference for the team
- Undertake a full data profile of complex safeguarding in Salford.
